Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent under the provisions of Rule(s) 1.322.

Applicants' request for correction to claim 11, column 4, line 59 has not been approved for being incomplete. The "solvent contained in a container, comprising seated environment means" should be requested to be changed instead, to - "solvent contained in a container which is mounted in a vortex evaporator comprising a recirculating system in sealed environment means" See claim 22. (PTO's mistake). The request for correction to claim 11, column 4, line 61 has been approved.

In view of the forgoing your request in these matters is hereby denied; however, a certificate of correction will issue to correct the remaining errors noted in applicants' request upon the submission of a new request omitting rejected errors as noted herewith.

Further correspondence concerning this communication should be directed to Decisions and Certificate of Correction Branch. Any telephone inquiries should be directed to Ms. A. Green at (703) 305-8740.
